

REMARKS

Claims 1-7 and 9-17 are pending and were allowed. Claims 1, 4, 11, and 14 are being amended. No new matter is presented.

The present amendment is being presented to correct an error in the Examiner's Amendment. The Examiner's Amendment indicated that claim 4 should be amended, but the indicated language is not in claim 4 and the Examiner discussed amending claim 14 during the telephone conference with the undersigned attorney on March 26, 2009. Accordingly, the present amendment shows the Examiner's amendments to claim 11 and makes the correct amendment to claim 14.

In addition, claims 1 and 4 are being amended to correct obvious informalities. In particular, a semicolon is being added to claim 1 and "which has" is being deleted from claim 4.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and entry of this Amendment are earnestly solicited.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC
